(ACT) Against Corvid Traps

To the Honourable, The Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled.

The humble petition of the Citizens of the United Kingdom showeth:-

1) **That the use of Larsen Traps, and multiple corvid traps causes great suffering and distress and leaves the captive birds at risk of negligent and inhumane treatment.**
2) **That the use of Larsen Traps, and multiple corvid traps risks the capture of raptors (Birds of Prey), and with many of those setting such traps being hostile to these birds.**

WHEREFORE your petitioners pray that your Honourable House will take all such measures as lie within your power.

1) To abolish <u>Larsen traps and multiple corvid traps</u>

2) To prevent any device which risks capture of birds of prey from being used by gamekeepers.

And your petitioners, as in duty bound will ever pray etc.
